

Naim Audio Lola Perrin Piano Competition

The competition will initially be run in six colleges and universities with cash prizes of £150 for the winner and £100 for the runner-up at each institution. Individual institutions will judge the competitions and decide on the winners.

Participating students will be asked to perform one Lola Perrin composition and a piece from another composer chosen by the department.

Institutions will be eligible to apply to participate in the competition from **11am GMT Wednesday 8th June** and should submit their application by email to **competition@lolaperrinsheetmusic.com**.

Include in the application the contact details of both your institution and a nominated person to oversee the administration of the competition.

We will contact you within one week of your application as to whether you were successful or not.

Six competitions will be run in the 2011/12 academic year with deadlines being announced before the year starts in September. Places will be allocated on a first-come first-served basis, so if you are interested make sure your institution applies as soon as possible after the opening date to avoid disappointment. The first successful applicant will be given a complete set of Lola Perrin Piano Suites.
